Kitchen measuring worksheet

Type into this PDF or print it. Then enter your answers in the planner at **clevelandcabinetcompany.com**.

How to measure

1. **Mark centers first.** Put painter's tape on each window, doorway, sink and range. Measure its width (for windows and doorways, outside the trim) and mark the halfway point on the tape.
2. Measure each wall corner to corner at three heights: near the ceiling, at counter height and just above the floor. Use the **smallest**.
3. Measure from the corner or end of the wall to each **center mark**. Left and right are as you face the wall.
4. Measure to the drywall, not to trim or baseboards.
5. Round to the nearest 1/8". Measure twice.

Smallest of the three = wall length

1 Your kitchen shape

○ **One wall**

○ **L-shape**

○ **U-shape**

○ **Galley**

Also in your kitchen:

☐ An island, about _____ ft long, running along Wall _____

☐ Cabinets on a wall that doesn't touch the others

Galley Wall B or separate wall: ○ Across from the others ○ At a right angle

2 Your walls

Wall	Length	Left end	Right end
Wall A	_____ ft _____ in	○ Against a wall ○ Open ○ Corner	○ Against a wall ○ Open ○ Corner
Wall B	_____ ft _____ in	○ Against a wall ○ Open ○ Corner	○ Against a wall ○ Open ○ Corner
Wall C	_____ ft _____ in	○ Against a wall ○ Open ○ Corner	○ Against a wall ○ Open ○ Corner
Separate	_____ ft _____ in	○ Against a wall ○ Open	○ Against a wall ○ Open

Ceiling height _____ ft _____ in

Skip walls your shape doesn't have.

3 Windows and doorways

Wall	Window or doorway	Measure from	To the center	Width with trim
	◯ Window ◯ Doorway	◯ Left ◯ Right	ft in	in
	◯ Window ◯ Doorway	◯ Left ◯ Right	ft in	in
	◯ Window ◯ Doorway	◯ Left ◯ Right	ft in	in
	◯ Window ◯ Doorway	◯ Left ◯ Right	ft in	in
	◯ Window ◯ Doorway	◯ Left ◯ Right	ft in	in

More windows or doorways? Add them in the planner.

4 Your appliances

Sink

On wall ◯ A ◯ B ◯ C ◯ Separate

Center ◯ From left ◯ From right ft in

Sink width in **Dishwasher next to it** ◯ Yes ◯ No

Range or cooktop

Type ◯ Range ◯ Cooktop **Width** ◯ 30″ ◯ 36″

On wall ◯ A ◯ B ◯ C ◯ Separate

Center ◯ From left ◯ From right ft in

Refrigerator, wall oven and pantry

Refrigerator **On wall** ◯ A ◯ B ◯ C ◯ Separate

Width ◯ 30″ ◯ 33″ ◯ 36″ Height in floor to the top of the hinges

Wall oven ◯ None ◯ Single ◯ Double **On wall** ◯ A ◯ B ◯ C ◯ Separate

Width ◯ 27″ ◯ 30″

Tall pantry ◯ None ◯ 18″ ◯ 24″ **On wall** ◯ A ◯ B ◯ C ◯ Separate

Measure each appliance across the front at its widest and pick the size it fits: a 35¾″ fridge takes 36″. Buying new? Use the spec sheet.

Notes Window sills lower than 42″, vents, radiators, walls that aren't straight, anything else
